

CHRISTIAN EDUCATION QUESTIONNAIRE

A meeting of the Christian Education and Church Relationships Committee took place on the 16th April 2009. After much discussion with reference to the material and programme for 2009/2010 and for future years, it was decided to ascertain current practice within companies to assist in our future planning. I have enclosed a short questionnaire, which I ask that you would complete and return no later than 15th May 2009, to allow decisions to be made on the way ahead. Some of you may recognise this questionnaire as one that was issued six years ago. This is a deliberate decision to use the same format, to enable trends over the intervening years to be considered.

Please address your return FAO Mr Kenneth McLaughlin, Training & Development Support Officer, Rathmore House, Larne.
