

Ten little candles

Ten little candles, Jesus bade them shine
Selfishness put one out, then there were nine.

Nine little candles, one without a mate,
Bad friends come along, then there were eight.

Eight little candles, doing work for heaven,
Laziness came over one, then there were seven.

Seven little candles, all with blazing wicks,
One was very naughty, then there were six.

Six little candles, every one alive,
One got tired of trying hard, then there were five.

Five little candles, once there were far more,
One said a bad word, then there were four.

Four little candles, bright as bright could be,
One didn't have the time, then there were three.

Three little candle, was one of them you?
One gave up Sunday school, then there were two.

Two little candles, tale is almost done,
"I'm too small" said one, then there was one.

One little candle, left all alone,
Kept on burning by itself, Oh how bright it shone,
Brave and steady burned its flame, till the other nine
Fired by its example, began to shine again.

P4 boys enter and line up in front of P4 boys.
All shine torches in their own faces and sing.

This little light of mine.

This little light of mine, I'm gonna let it shine,
This little light of mine, I'm gonna let it shine,
This little light of mine, I'm gonna let it shine,
Let it shine, let it shine, let it shine,

Shine O shine in Anchor Boys, I'm gonna let it shine,
Shine O shine in Anchor Boys, I'm gonna let it shine,
Shine O shine in Anchor Boys, I'm gonna let it shine,
Let it shine, let it shine, let it shine,

This little light of mine, I'm gonna let it shine,
This little light of mine, I'm gonna let it shine,
This little light of mine, I'm gonna let it shine,
Let it shine, let it shine, let it shine,

Music stops, then starts and the boys all march around the hall and out the door.
