

ANCHOR BOY COLOURING & DRAWING COMPETITION

2017/18 Template 4

Fruit and vegetables are good for Anchor Boys to eat every day.

Boys should colour in the fruit and vegetables above and draw and colour in an apple and a carrot in the boxes provided, using colouring pencils, crayons or felt tip pens, plus write the names of each fruit or vegetable underneath. Please write the boy's name and company name on the reverse of this sheet and forward to your Battalion Anchor Boy Representative or Battalion Secretary (group level for Belfast Battalion) for initial judging - deadline to be advised by Battalion. Battalions choose finalists which they then forward to NIHQ, on or before 19 January 2018, for judging in the NID final. **Please do not forward this directly to NIHQ.**
